Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: On 6/12/07, applicant's representative explained how the cited references do not teach all the limitations of the claims and how the cited references are not combinable. The examiner agreed, but wanted to consult with the supervisor (Ulka Chauhan) first before making a final decision. On 6/13/07, applicant's representative called, and was informed that both the examiner and the supervisor have agreed that the case is allowable. The examiner told applicant's representative to file a response to the office action and in the remarks, just briefly explain what was discussed and agreed upon during the interview. Once this response has been received, the case will then be allowed.
